NEW MODEL WITH FLOW RESTRICTOR - MARCH 2026

Savoy is a slim side lever design with an elegant swan neck spout, and will enhance any kitchen.

As part of our commitment to saving water and protecting the environment, we are adding a flow restrictor into the body of the tap to slow the flow down to 6l/min.

This model replaces former Savoy Chrome 115.0254.455 from March 2026.
